

Fibre Panel – 19" Rackmount®

FPS -02 Fibre Panel 19" Rackmount - SC Type

Issue 2

Product Description

ADC's FPS-02 series of Fibre panels provides industry leading fibre cable protection and management. The panel utilises an internal splicing system that creates a compact and easy fibre management solution. The splice tray for this panel will 'Swing-out' for easy splice access. "Swing-out" trays are modular with multiples of 24 SC adaptors in 1U size. Larger panels have multiple swingout trays. The panel is available, pre-terminated with colour coded pigtailed to simplify ordering and reduce installation time.

Features:

- The front patch cords need not be disturbed during splicing and maintenance
- Metal housing with multiple swing out trays of 24 fibres each
- Front Access for easy splice & patch cord management
- Each splice tray accommodates 12fibres
- Front door with latch for patchcord protection
- Best suited for rack mounting in horizontal and Equipment distribution areas
- Available in 24, 48, 72, 96 and 144 ports with SC adaptors
- Cable management and routing limits bend radius and adds strain relief
- Slack storage in swing-out tray to manage and protect excess optical fibre length
- Identification labelling
- Adjustable mounting bracket available for 19" and 21" rack mounting
- Colour coded pigtailed for easy identification
