

Fibre Panel – 19" Rackmount

FPP- 01 Fibre panel 19" Rackmount – SC and LC

Issue 2

Product Description

ADC's FPP-01 series of Fibre panels are patch-only solutions that provide industry leading fibre patch cord protection and management. The front patching area is "Slide-out" type for easy patch cord access.

Features:

- Metal housing with integrated patch cord management
- "Slide-out" type front adapter panel
- Front door with latch for patch cord protection
- Best suited for rack mounting in horizontal and Equipment distribution areas
- Available up to 96 ports with SC adaptors
- Patch cord management and routing helps in protecting bend radius
- Patch cord slack storage arrangement using spoolers
- Identification labelling
- Adjustable mounting bracket available for 19" and 21" rack mounting
