

ADC Structured Cabling Solutions

Patchcord Assemblies

Issue 2

Fibre Patchcord Multimode OM3 SC-LC Duplex

ADC offers an extensive collection of fibre optic patch cord and pigtail assemblies used throughout high speed networks in cross-connect, test or equipment areas to link optical equipment. Our patchcords undergo an extensive manufacturing and inspection process to ensure the performance requirements of your high-speed network are met.

Product Description and Application

Duplex patch cords used in communication networks for connecting between patch panels and/or active equipment.
